N.B. Cover in respect of Public Liability Takaful is provided subject to the Company's usual terms, conditions and exceptions for this type of takaful. A specimen copy of the certificate wording is available on request.

No cover is in force until the proposal has been accepted in writing by the Company.

## PUBLIC LIABILITY TAKAFUL

The following giving brief details of the cover provided for this type of takaful.

Accidents causing bodily injury (including death or disease) to members of the public, or loss of damage to their property, occur in connection with variety of circumstances that even the most careful person may not foresee the danger. If such and accident were to occur in connection with your business you may be faced with a very heavy claim for damages. Whether or not the claim is successful, the legal costs and expenses incurred could be substantial.

The Company's Public Liability Certificate provides wide protection against such contingencies.

By the terms of the Certificate you would be indemnified against all sums you become legally liable to pay as damages consequent upon such injury, illness, loss or damage occurring in connection with your business. This cover is subject to a Limit of Indemnity, selected by you, in respect of each accident.

In addition there is an unlimited cover in respect of legal costs awarded against you and legal costs and expenses incurred with the consent of the Company in the defence of such claims.

The following are the main Exceptions under the Certificate but the full wording will be provided on request:

- (a) Bodily injury to your employees.
- (b) Property in your custody or control.
- (c) Liability assumed by contract or agreement.
- (d) Professional treatment or advice.
- (e) Goods sold or supplied.
- (f) Claims arising from ownership possession or use of mechanically-propelled vehicles aircraft watercraft (other than manually-propelled) railway locomotives or rolling stock and power-operated lifting tackle. In some circumstances the Company is prepared to provide indemnity in respect of certain vehicle or power-operated lifting tackle.
- (g) Seepage pollution or contamination.
- (h) Fines or penalties. -
- (i) Property damage caused by explosion of boilers or other apparatus operating under internal steam pressure.
- (j) War risks.
- (k) Radioactive contamination

NOTE Whenever the takaful includes the ownership or use of lifting tackle (e.g. Lifts, cranes, etc) or boilers or other steam-operated apparatus, a Warranty may be applied to the Certificate relating regular inspection.
