'Colour Splash' art competition held in Colombo, Kandy and Kaththankudi for the children of Amâna Takaful Family

[Wednesday 24th May 2016, Colombo](#): It is our belief that when one chooses a career one also chooses a work place that serves as a second home. A work place has to be a pleasant and a rewarding environment to work in, a place that fosters the wellbeing and growth of their employees. A competitive wage, a health insurance scheme for self and family and activities that foster welfare of the employees all play a key role when one decides to make a commitment for employment at any establishment.

Amâna Takaful being the insurance pioneer of the 'takaful way' since 1999, is not only a pioneer in the Takaful field but is also a trusted establishment that places employee growth and well-being as a top priority. It is one such work place where every employee is treated with respect and value.

Placing employee satisfaction at the heart of everything they do, Amâna Takaful organizes regular welfare and interactive activities for their employees and their family members providing them with a much needed break from the everyday work-life. It is with this sole intention that the Human Resource Department of Amâna

Takaful organised an art competition titled 'ATL Colour Splash' for the children of their employees at three centres; Colombo, Kandy, Kaththankudy recently. All participants of the competition received tokens and gifts and the very well organised event saw families enjoying the latter part of the day taking part in fun filled activities organised by the HR division.

This event organised by the Human Resource Division of Amana Takaful was attended by CEO, Amana Takaful Plc, Fazal Ghaffoor, the members of the senior management and employees and their family members regionally. Head of Human Resource Division, Farhan Jabeer, Manager Human Resources, Thilak Nishantha, Assistant Manager Human Resources, Jehan Sulthan and Senior Executive, Human Resources, Viraji Mendis were also present at the event.

ATL continues to be in the forefront of the insurance industry in Sri Lanka and caters to all segments of customers. The Takaful way of insurance operates on the concept of bringing people together to be part of a system that gives them the opportunity to help each other. Since its inception in 1999, ATL has been successful in establishing a strong position for the concept of Takaful amidst competition from established conventional players. As the pioneer Takaful provider, ATL operates 27 branches and is set to expand further to better serve customers across the country. ATL continuously reaches out to customers from all segments of society and offers innovative and state-of-the-art insurance products that are convenient, affordable and reliable. As part of its commitment to remain 'open to all', ATL serves all communities and employs a multi-ethnic team across its network.
